The Honorable Martin Heinrich, Chairman  
The Honorable John Boozman, Ranking Member  
Subcommittee on Military Construction, Veterans Affairs, and Related Agencies  
Committee on Appropriations  
Washington, DC 20510

Dear Chairman Heinrich and Ranking Member Boozman:

I certify that neither I nor my immediate family has a pecuniary interest in any of the congressionally directed spending items that I have requested in the Fiscal Year 2022 Military Construction, Veterans Affairs, and Related Agencies Appropriations bill, consistent with the requirements of paragraph 9 of Rule XLIV of the Standing Rules of the Senate.

If you have any questions, please contact me or my staff at 202-224-4642.

Sincerely,

Jack Reed  
United States Senator

**Senator Jack Reed (D-RI)**  
**Military Construction, Veterans Affairs, and Related Agencies**  
**Congressional Directed Spending Requests**

Recipient Name	Project Purpose	Project Location	Amount Requested (\$000)
Naval Station Newport	This project will construct a new RDTE lab and co-locate consolidated SCIF facilities, providing a lab designed for maximum efficiency, at NUWC Division Newport.	Newport, RI	\$ 4,000
Naval Station Newport	This project will construct a two story facility at NUWC Newport to consolidate Torpedo Systems Programs with the capabilities for new land based integration and test facilities for the Next Generation Torpedo.	Newport, RI	\$ 1,200
Naval Station Newport	This project will construct an addition to the Launcher Laboratory at NUWC Newport to support Virginia-class and Ohio-class Replacement torpedo tube and weapons handling and stowage; submarine payloads integration; unmanned undersea vehicles; air turbine pump overhaul testing and certification for all submarine classes; and surface vessel torpedo tubes.	Newport, RI	\$ 1,400
Naval Station Newport	This project will construct a facility to consolidate RDT&E programs currently spread throughout several smaller buildings. The facility will provide critical combat operational support, engineering support, product development, logistics support and fleet training for existing and future U.S. Navy Lightweight and Heavyweight Torpedo Systems at NUWC Newport.	Newport, RI	\$ 1,700
