March 30, 2023

The Honorable Dianne Feinstein, Chair  
The Honorable John Kennedy, Ranking Member  
Subcommittee on Energy and Water Development  
Committee on Appropriations  
Washington, DC 20510

Dear Chair Feinstein and Ranking Member Kennedy:

I certify that neither I nor my immediate family has a pecuniary interest in any of the congressionally directed spending items that I have requested in the Fiscal Year 2024 Energy and Water Appropriations bill, consistent with the requirements of paragraph 9 of Rule XLIV of the Standing Rules of the Senate.

If you have any questions, please contact me or my staff at 202-224-4642.

Sincerely,

Jack Reed  
United States Senator

**Senator Jack Reed (D-RI)**  
**Energy and Water Development**  
**Congressionally Directed Spending Requests**

| <b>Recipient</b>                        | <b>Project Purpose</b>                               | <b>Project Location</b> | <b>Amount Requested (\$000)</b> |
|---|--|-------------------------|---------------------------------|
| Army Corps of Engineers                 | For maintenance dredging.                            | Providence              | \$48,000                        |
| Army Corps of Engineers                 | For flood protection.                                | Woonsocket              | \$600                           |
| Army Corps of Engineers                 | To protect coastal structures.                       | Southern Rhode Island   | \$7,000                         |
| Army Corps of Engineers                 | To assess channel depths.                            | Statewide               | \$435                           |
| Army Corps of Engineers                 | For survey, sampling and testing, design.            | Westerly                | \$500                           |
| Army Corps of Engineers                 | For flood resiliency.                                | Southern Rhode Island   | \$10,000                        |
| Army Corps of Engineers                 | For maintenance of existing projects.                | Statewide               | \$11                            |
| Army Corps of Engineers                 | For channel dredging.                                | New Shoreham            | \$400                           |
| Army Corps of Engineers                 | For equipment replacement, maintenance, and repairs. | Providence              | \$4,500                         |
| Army Corps of Engineers                 | For channel dredging.                                | New Shoreham            | \$400                           |
| Belcourt of Newport                     | For energy efficiency improvements.                  | Newport                 | \$1,800                         |
| City of Providence                      | For energy efficiency improvements.                  | Providence              | \$4,060                         |
| City of Providence                      | For microgrid installations.                         | Providence              | \$14,095                        |
| Operation Stand Down Rhode Island       | For veteran housing energy efficiency upgrades.      | Johnston                | \$200                           |
| Providence Water Supply Board           | For fleet electrification.                           | Providence              | \$370                           |
